b) FISA Rules of Racing

The races shall be rowed according to the FISA Rules of Racing and related bye-laws. A rower may compete if he/she attains the age of 27 in 2014.

The coxswain's weight is 50kg. A coxswain has to employ deadweight to compensate for an underweight condition to a maximum of 10 kg. Coxswains will weigh-in once for the whole regatta 1 hour before their first race at the latest.

Weigh-in:

July 25, 2014 7am to 8 am
July 25, 2014 5pm to 7pm
July 26, 2014 7am to 8am
July 26, 2014 6pm to 7pm for Mixed races

A coxswain may be of either gender. Age categories do not apply to coxswains of Masters crews.

Mixed crews are crews where half of the crew excluding the coxswain shall be women and half shall be men.

Age categories

A = minimum age 27 years	G = average age 65 years
B = average age 36 years	H = average age 70 years
C = average age 43 years	I = average age 75 years
D = average age 50 years	J = average age 80 years
E = average age 55 years	K = average age 85 years
F = average age 60 years	

Proof of age

Each regatta participant must be able to prove his/her age by presentation of an official photo ID (passport, ID card, driver's license). Spot checks will be conducted.

Clothing

Members of the same crew shall compete wearing uniform clothing.

The regulation regarding uniform clothing does not apply for mixed crews on Sunday.

Race divisions

When the number of entries in an event exceeds the number of available racing lanes, the entry will be divided into two or more finals. If an event's age category has one entry only, this crew shall start in the next lower age category.

Prices

Medals will be awarded to the winners of each final. A separate classification will take place and prizes will be awarded for each age category, even when the race is held together with other age groups in a combined final. This applies to both men's and women's events.

Anti-Doping

Please note that doping tests are also possible at Masters regattas.

A required medication has to be attested together with the relevant diagnoses and the agents applied – insofar as they are not banned, but notifiable by anti-doping regulations – by the attending doctor. A copy of the attestation shall be deposited **before** the competition in a sealed envelope at the regatta office. The envelope will only be opened in the presence of the rower and shall be collected upon completion of the regatta.
