

ČESKÝ VESLAŘSKÝ SVAZ  
CZECH ROWING ASSOCIATION

Prague dated 27<sup>th</sup> February 2009

**Dear Rowing Friends,**

We would like to inform you that this week the organisers of the International Brno Regatta were informed that for technical reasons the hydro-electric plant operator will lower the reservoir level by over 8 metres.

For this reason the organisers from the LS Brno rowing club and the Czech Rowing Association have been forced to switch venue for the **XXXVIII BRNO INTERNATIONAL REGATTA FOR JUNIORS** to the **Račice rowing course** ([www.racice.info](http://www.racice.info)). Regatta participants will thus have the opportunity to try out the site where the WC U23 2009 and WCJ 2010 will be held.

The dates of the **XXXVIII BRNO INTERNATIONAL REGATTA FOR JUNIORS** remain unchanged and are **Saturday 23<sup>rd</sup> May 2009 – Sunday 24<sup>th</sup> May 2009**.

All information concerning the regatta and accommodation can be found in the attachment to this letter or at <http://www.veslo.cz/brno-racice2009>.

Yours faithfully

Josef Johánek  
General Secretary  
Czech Rowing Association
