	187	MW 4- D	
	Masters Single Trophy "JUTTA DEUSCHL"		

## Special provisions

### I. General details

Race distance: 1000m

Lanes: 6

Race intervals: up to 5 mins

### II. Entry deadline

Thursday, 19 August 2021, 18:00 hrs (CET)

**If the maximum number of entries is reached, the deadline can be brought forward!**

**Entries can be made at:**

**<https://max.m-start.de/index.php?l=en>**

Entries are possible only by using the online entry system. The online entry system is available in the following languages: English, French, German, Italian, Russian, and Spanish

Late entries are accepted at <https://max.m-start.de> until 13:00 hrs (CET) the day before the actual race. Entry fees in this case are doubled! There is no entitlement to late entries.

### **Rules for the cancellation of entries:**

Until 19 August 2021 18:00 hrs

Entries can be cancelled at any time at <https://max.m-start.de>. Already paid entry fees will be refunded free of charge.

19 August 2021 18:00 hrs until 14 September 2021 12:00 hrs

If the journey to the regatta venue or from the regatta venue back to the home town is officially prohibited by the authorities, or if entries cannot be raced due to an officially ordered Corona-induced quarantine, the entered crews must be cancelled by the team manager at <https://max.m-start.de> before 14 September 2021 12:00 hrs. If an official proof in Slovenian, German or English can be presented and the official prohibition or order was not known or obvious at the time of entry, the already paid regatta fees minus 5% will be refunded.

If no corresponding proof can be presented or if for any other reason it is not possible to participate in the regatta, a refund is unfortunately not possible.

From 14 September 2021 12:00 hrs

If a crew cannot or does not want to start in a race, the crew must cancel its entry as soon as possible according to the general rules using the entry portal at <https://max.m-start.de>. For fairness reasons

for the other crews in this race and for crews who want to participate instead by late entry, the withdrawal should take place until 13:00 hrs of the day before the race. A refund of the regatta fee will not be made according to the usual regulations.

At the entry deadline (or if reasons arise earlier) we will assess, considering the current Corona situation, whether the 2021 Euro Masters Regatta can be held with a specially coordinated hygiene concept. A clear prerequisite is that the official Corona restrictions by the Slovenian authorities allow such an event at that time and that the regatta is feasible under the then applicable hygiene regulations.

On the day after the entry deadline, all registrants will be informed whether the regatta can take place as advertised or whether we must cancel the regatta. Regardless of this, it is possible at any time between the registration deadline and the regatta date that we must cancel the regatta due to official regulations. In case of a cancellation between the registration deadline and the start of the regatta, participants will be refunded the regatta fees already paid less 5%.

All participants are therefore strongly advised to book their hotel and travel arrangements in a way that they can be cancelled at short notice. By registering for the Euro Masters Regatta, each participant acknowledges that the Bled Rowing Events Team and Regatta München e.V. are released from any liability for damages, especially for travel and accommodation of the participants, and are not liable for any costs of the participants. This applies in particular in the event of a cancellation of the regatta, the exclusion of participants from a certain country or region who are particularly affected by the Corona pandemic, or persons with typical Corona symptoms, but also in the event of a change in the hygiene concept and/or a change in the announcement or a change in the order of the races, or even the cancellation of races for certain boat or age groups.

All participants undertake to comply with all regulations of the hygiene concept as well as the official infection prevention measures in force at the time of the event. Violation will result in immediate exclusion from the regatta.

### **III. Draw**

29 August 2021, 18:00 hrs (CET)

### **IV. Entry fees**

Single:	26 €	Pair/Double:	52 €
Quad:	104 €	Eight:	208 €

At the entry deadline on 19 August 2021 18:00 hrs the total amount of the entry fees incl. possible additional fees are due by bank transfer or online payment. If the entry fees are not received by the Organising Committee until 19 August 2021 18:00 hrs, the entries and any additional services will be cancelled. Payments at the regatta office are not possible! (Late entries excluded.)

Late entries: Entry fees for late entries can be paid by bank transfer or online payment or at the regatta office.

Online payment via PayPal. Wire transfer costs must be paid by the registrant, not the host. Entry fees will only be reimbursed for races that did not take place minus eventual wire transfer costs. Teams that have not paid their regatta fee on time are not eligible to start.

### **V. Bank account**

Bled Rowing d.o.o. (Ltd/GmbH)  
Zupanciceva cesta 9

SI-4260 Bled  
Slovenia  
VAT Nr.: SI75155257  
Business Account Nr. (IBAN): SI56 0313 8100 1069 860  
SWIFT (BIC): SKBASI2X  
Bank details: SKB banka d.d., Ajdovscina 4, SI-1000 Ljubljana, Slovenia

## VI. Additional provisions

### a) Boat rental

Rental boats will be offered. Further information can be found at our website. All boat rental at the regatta venue is reserved to Filippi. The price for the boat rental per seat is 30 €.

### b) World Rowing Rules of Racing

The races shall be rowed according the World Rowing Rules of Racing and related bye-laws. A rower may compete if he/she attains the age of 27 in 2021.

#### Age categories

A = minimum age 27 years	F = average age 60 years	K = average age 83 years
B = average age 36 years	G = average age 65 years	L = average age 86 years
C = average age 43 years	H = average age 70 years	M = average age 89 years
D = average age 50 years	I = average age 75 years	
E = average age 55 years	J = average age 80 years	

Within an age category, a sorting by the year of birth is applied equivalent to the World Masters Regatta. The sorting by year of birth will be done at the draw considering all valid entries by the time of the draw. The sorting within an age category will be done backwards from the oldest to the youngest participant. Late entries that will come in after the draw will row in the heat with the youngest participants, not considering their year of birth. If scratches occur, the regatta committee reserves the right to depart from that rule.

#### Lightweights

For the Masters lightweight races (MLW and MLM), rule 31 of the World Rowing Rules of Racing applies analogously. Lightweight single scullers may not weigh more than 72.5kg (men/MLM) and 59.0kg (women/MLW). Lightweight rowers shall be weighed wearing only their racing uniform not less than one hour and not more than two hours before their racetime.

#### Coxswains

The coxswain's weight is 55kg. A coxswain has to employ deadweight to compensate for an underweight condition to a maximum of 15kg. Coxswains will weigh-in once for the whole regatta one (1) hour before their first race at the latest.

A coxswain may be of either gender. Age categories do not apply to coxswains of Masters crews.

#### Mixed races

Mixed crews are crews where half of the crew excluding the coxswain shall be women and half shall be men.

#### Proof of age and accreditation

Each regatta participant must be able to proof his/her age by presentation of an official photo ID (passport, ID card, driver's license). At the regatta office, you will be able to obtain an accreditation to avoid the necessity of carrying the photo ID. The age of the participants will be verified during the regatta. In addition, the identity can be verified at the victory ceremony.

## **Clothing**

Members of the same crew shall compete wearing uniform clothing.

The regulation regarding uniform clothing does not apply for mixed crews on Sunday.

## **Race divisions**

When the number of entries in an event exceeds the number of available racing lanes, the event will be divided into two or more finals. If an event's age category has one entry only, this crew shall start in the next lower age category.

## **Quick start**

If necessary, a quick start procedure can be applied. After announcing "2 minutes", crews shall be ready for start. As soon as the boats are aligned, instead of a roll call, the starter will call "QUICK START", "ATTENTION" and turn the red traffic lights ON. Afterwards, he/she will give the start signal using the GREEN light and simultaneously an AUDIBLE SIGNAL through the speakers. In case of a system failure, the start will be signalled using the start flag and the command "GO".

## **Substitutes**

Crew Changes are possible up to four hours before the start time of the first heat of the respective race at <https://max.m-start.de>. As a maximum, only half of the rowers of a crew may be substituted. The substitutes have to be members of the same club (or, in the case of composite crews, of one of the clubs concerned). A substitute shall not be permitted if the age of the substituting rower would lower the average age of the crew by more than one year or change the age category of that crew.

## **Withdrawals**

If a crew cannot or does not want to start in a race, the crew must cancel its entry as soon as possible at <https://max.m-start.de>. For fairness reasons for the other crews in this race and for crews who want to participate instead by late entry, the withdrawal should take place until 13:00 hrs of the day before the race, at the latest two hours before the start time of the first heat of the respective race.

## **Anti-Doping**

Please note that doping tests are also possible at Masters regattas. A required medication has to be attested together with the relevant diagnoses and the agents applied – insofar as they are not banned, but notifiable by anti-doping regulations – by the attending doctor. A copy of the attestation shall be deposited **before** the competition in a sealed envelope at the regatta office. The envelope will only be opened in the presence of the rower and shall be collected upon completion of the regatta.

## **Health**

Each competitor shall be responsible for his or her own health and fitness. During the regatta the principle of mutual consideration applies in Corona times! Therefore, the hygiene concept of the Organising Committee has to be adhered to by every participant. This concept will be adapted according to the official requirements until the start of the regatta and will be published on our website and sent to the registrants after the entry deadline.

The regatta committee reserves the right to exclude a participant from the regatta immediately in case of violation of the hygiene concept.

### **c) Masters Single Trophy "Jutta Deuschl"**

Races marked with an \* will have Munich Masters Trophy finals on the same day evening or the following day. To take part in the Munich Masters Trophy, rowers must have already entered at <https://max.m-start.de> together with the entry for the single sculls race and qualified as follows: They will be assigned to the six or seven fastest participants of all heats of the relevant races (The results in the respective lightweight races are also taken into account for the qualification. If lightweights qualify for the Munich Masters Trophy, they will not be weighed for the Trophy race.). For these finals, the rowers can only

qualify in their own age category. The assignment will take place two hours after the last heat of the relevant event.

If an event only consists of up to seven participants, the heat will be directly counted as the final race of the Munich Masters Trophy and the final in the evening or on the next day will not happen. There is no entry fee for the final races of the Munich Masters Trophy. The victory ceremony will take place immediately after each race at the victory pontoon.

The Trophy has been renamed to honour the former Vice-President of Regatta München e.V. and German national rower Jutta Deuschl. Jutta was a founding Board member of the Munich regatta association and a passionate and ambitious Masters rower. She significantly shaped the new format of the Euro Masters Regatta. Jutta died of cancer in January 2021 at the age of 47.

**d) Team tents**

Team tents can be set up without fees in designated areas in the boat park. As the available space is limited, please contact the regatta management in advance indicating the amount of space needed. The preparation of meals is not allowed in these tents.

**e) Parking**

From Wednesday morning until the end of the event on Sunday, only drawing vehicles may enter the regatta venue to bring boat trailers in or pick them up.

**f) Liability**

The insurance of equipment and person is the responsibility of the participants. The organizer assumes no liability of any kind.

**g) Photo and video recording**

During the regatta, photos and videos will be taken. Participants who do not agree to this must object at the regatta office before the event.
